

Bible Reading Plan

Capturing the meta-narrative of the Bible and the centrality of Jesus

Designed

We were **designed** for intimate relationship with our Creator, living in the wholeness of life.

Broken

By rejecting God, our relationship with God, each other, our inner-self, and the earth were **broken**.

Promise

God, faithful to his **promise** chose to not give up on the world, but was active in shaping a people that would reflect his love and justice.

Presence

In Jesus, God took human form. His **presence**, through words, works, and ways, a perfect reflection of God and the life we were originally created to live.

Victory

Through Jesus' death and resurrection he demonstrated **victory** over brokenness and sin, inviting us to live in the truth of his forgiveness and grace.

Restoration

One day, Jesus will return for the **restoration** of all things. In the meantime, and free from fear, we participate in and promote the Kingdom of God through our lives.
